FINANCE AND TRADE

IN FINANCIAL CIRCLES the greates quietude prevailed all day, and there was not the slightest change in the monetary situation. Exchange was in more erate offering, discount on New York Boston and eastern points, I for domand, I for sight; New Orleans I of ing at the former rate. Stocks and bonds were without any improvement whatever. The Nashville Union, January 18th, reports: "For Tennessee bonds dealers pay 89 and hold at 82. The past due compone are worth about 52e. Comptroller's warrants are very scarce, and are in good demand by tax-payers. Brokers pay 98.25°, and hold at 88.59°. The skilled is demanding 75c. Other feed and produce markets consequently shapes: "In local and State scripe there were no transactions, although the offerings of State paper were liberal holders preferring to unload defore the assembling of the legislature on Tuesday next." The New Orleans banks show signs of greater case, the Times day next. The New Orleans considered and the state of the second of the second of the state of the second of the state of the second of the state of the second of the second of the state of the second of the ifficulty being experienced in negotia ble; and this way the market be een relieved. Fair figures are now 100 12 per cent per annum for A1, accom-panied by unquestionable collaterals

fore the check it has received, showed above the first quotation; shoulders a good deal of activity. Exporters were inclifferent in their inquiries, but the first quotation in their inquiries, but the first quotation is an additional form of the first quotation. St. Louis, January 1988, they found little that encouraged them to operate in face of the decline in Live-In answer to our inquiries, we learned the following: Sales made of stained cotton at 12, 13, 13] and 13[c; tow ordinary at 9694c; strict ordinary. 12-124c; good ordinary, 13-184c; strict tordinary, 13 [m] 11/0; low mindling, 11/0; strict low middling, 150; (@15je; strict middling, 10@16]c; good middling, 16]617a. The Cotton Exchange continues to be se center and focus of the cotton trade of Memphis. Evidently the time will soon arrive when those who do not beng the "outsiders," and take backseals accordingly. Yesterday the Washinsurance company, and three the list of original members, which names will appear in book of rules and bye-laws now printing. Yesterd was the last on which was was expected further names could be elved on the footing of original memwever, to delay of the proofs by the i proofs, and we inform those who inand to join the institution that it will se losing a vaiuable opportunity if they delay until the list goes to press, as it taken. The number of members now cial figures of the Cotton Exchange we copy the following:

-Market closed dull and unchanged. Sales, 1000 bales, of which spinners took 2000, exporters 425, and speculators

On,'s Liverpool annual cotton circular, Market Mear-Per in, 1956.

Trom which we make the following ex- Mear, Frank Forequarters beef 385 roots: "The size of the American ero is so uncertain, and our experience of that no information which we can possibly draw from America is at all to be relied upon. At this time last year the current estimates were 300,000 bales too relied upon. At this time last year the current estimates were 500,000 bales too mail, the year before they were 500,000 bales too large, the one before they were 500,000 bales too small, the one before \$100,000 bales too small, and so on. Now a mistake of 500,000 or 400,000 bales in the statement of the or a mistake of 500,000 bales in the statement of the or a mistake of 500,000 bales in the statement of the or a mistake of 500,000 bales in the statement of the or a mistake of 500,000 bales in the statement of the or a mistake of 500,000 bales in the statement of the or a mistake of 500,000 bales in the statement of the or a mistake of 500,000 bales in the statement of the or a mistake of 500,000 bales in the statement of the or a mistake of 500,000 bales in the statement of the or a mistake of 500,000 bales in the statement of the or a mistake of 500,000 bales in the or a mistake of mistage of step usually causes a barrel.

TURKEYS—Alive, \$10615; dressed, 10815c. difference of 1d to 2d per lb kit the price

was offered back of 1 ger cent. So when was referred the company of the company o anced a grant of the great check gives by the Bengal famine to the demand for Calcutta has told seriously upon the makers of these goods, and there are at present no signs of buoyancy in the Manchester market. If the idea of a short crop following this one gets afloat, a decided advance upon present rates might occur, somewhat similar to what happened in 1871; but if it be found that an ab equal area is planted, it will be hard to move the market, for people will are a possible to one ove the market, for people will are a possible to one ove the market, for people will are a possible to one ove the market, for people will are a possible to one ove the market, for people will are a possible to the first and an indifferent season like the control of the first and short from the bank to the possible to the possible to the people will are a possible to the possible to t

will be quite different, if receipts run out

carly in the spring, and restore short es-itmates of exop. We will then see con-elderable speculation, and an advance to
